Meeting Adjourned
5:15 pm  **Moved Cr. Woolford seconded Cr. Clark that the meeting adjourn for the Development Assessment Panel meeting.**
**CARRIED 3118**

Meeting Resumed
6:46 pm  **Moved Cr. Sparks seconded Cr. Clark that the meeting resume.**
**CARRIED 3119**

11. **ENVIRONMENTAL SERVICES REPORTS**

11.1 **PLANNING OFFICER REPORT**

   **Moved Cr. Sparks seconded Cr. Catford that the Planning Officer’s Report be taken as read and noted.**
   **CARRIED 3120**

(1) **Proposed Airstrip At Georgetown**
Re: As a result of the proposal that was put forward by Mr. Millard being unsuitable for a Council involved airstrip, the Georgetown Community Development Association identified several alternative sites. John Simcock, members of the GCDA and myself inspected the proposed sites and have identified two as possible locations. I am currently investigating the legal requirements that will be involved to either lease or acquire the required pieces of land.

   **Moved Cr. Walden seconded Cr. Longmire that the Planning Officer continue investigating the proposed airstrip on the Transport SA land located between Georgetown and Gladstone, adjacent to main North Road.**
   **CARRIED 3121**

(2) **Proposed Luthern Homes, Laura**
Re: A reply has been received from Lynch and Meyer in regards to the legal status of Section 445 in the Hundred of Booyoolie. On the 10/2/1983 section 445 was dedicated as “aged persons accommodation reserve” and this encompasses the entire area of section 445. However this section of land is still “community lands” by virtue of Part 11 of the Local Government Act 1999. Therefore any
new lease or licence entered into over any part of the land would be subject to the public consultation requirements of the Act.

Moved Cr. Woolford seconded Cr. McPherson that Council conduct a revocation of the community land classification on section 445 in the hundred of Booyoolie, subject to Council receiving a development application from the South Australian Community Housing Authority to build aged accommodation on the site.

CARRIED 3122

(3) **Section 30 Review**
Re: On Thursday 14th November a bus tour is scheduled with the various Government departments that will be making submissions to the council. Submissions from the public have begun to arrive, various concerns have been raised, not all are related to the section 30 review, some are strategic in nature and have been passed on to the strategic plan review.

(4) **Community Lands**
Re: I have received several calls relating to the advert in the Flinders News detailing the lands that the council intends to exclude from the classification of “community lands”.

Members of the Yacka Community have raised concern with the Yacka buildings that have been listed for exclusion as a result the Yacka Community Development Board have organised a public meeting for 8:00pm on Monday the 18th of November.

Moved Cr. Woolford seconded Cr. Catford that the concerns raised by the Yacka Community Development Board be noted and the submission be presented to the next Ordinary Council Meeting for consideration when the community lands exclusion process will be finalised.

CARRIED 3123

(5) **Jamestown Industrial Land**
Re: An offer has been received from Paul Farr for part of allotment 31 on Mannanarie Road. This offer needs to be taken into account with other potential developers needs in the estate.

Moved Cr. Robinson seconded Cr. Clark that the Planning Officer, obtain accurate valuation details from Valuation SA for the proposed Jamestown industrial land subdivision as proposed by the Planning Officer. Once relevant information has been gathered, the Planning Officer to contact all interested parties with Council’s proposition

CARRIED 3124

(6) **Correspondence**

Moved Cr. Clark seconded Cr. Sparks that all Correspondence Reports be taken as read and noted.

CARRIED 3125

(a) **Fran Birrell, Beetaloo Valley – Resident**
Re: SAMAG Proposal

(i) Moved Cr. Walden seconded Cr. Clark that the concerns of Fran Birrell be noted by Council.  
CARRIED 3126

(ii) Moved Cr. Walden seconded Cr. Clark that a SAMAG representative be invited to address Council on the proposed Beetaloo Valley magnesium exploration.  
CARRIED 3127

(b) Helen von der Borch, Senior Project Officer, Rail Land Project – Transport SA  
Re: Transfer of railway corridor north of Laura. Transfer costs would be approximately $500  

Resolved that this item be deferred until the next meeting of Council.

(7) New Directions for Natural Resource Management in SA  
Cr. Robinson and the Planning officer attended the discussion forum held in Clare on 19 November 2002 outlining the proposal for the new regional Natural Resource Management Boards. The proposal is to amalgamate Animal & Plant Control, Soil Conservation and Water Management organisations.

Frank Roberts entered the Council Chamber at 6:23pm.

Moved Cr. Robinson seconded Cr. Woolford that the Planning Officer prepare a submission on the Natural Resource Management discussion paper  
CARRIED 3128

11.2 ENVIRONMENTAL SERVICES MANAGERS REPORT

Moved Cr. Woolford seconded Cr. Robinson that the Environmental Services Manager’s Report be taken as read and noted.  
CARRIED 3129

(1) JAMESTOWN YOUTH CENTRE  
Re: Council has received enquiries regarding hiring the Jamestown Youth Centre for public functions. As it exists the building is not an unsafe structure, but it requires some immediate maintenance, and considerable long term upgrading and repairs. If the building is to be leased the existing floor covering should be either replaced with a safer non slip floor covering or the concrete floor treated to provide a non slip safe surface. An electricity safety assessment has been carried out. For a building that is rarely used and has limited alternative uses Council will need to consider all short and long term costs associated with maintaining the building for public use. The building is situated on Crown Land and could not be easily disposed of, and failing any community interest in using the building, Council needs to consider the cost of maintaining the building or ultimately demolishing the building.
Moved Cr. Sparks seconded Cr. Robinson that a letter be written to the Jamestown Development Association seeking their opinion on the future and possible community use of the Jamestown Youth Centre building.

CARRIED 3130

(2) ENERGY EFFICIENT BUILDINGS
Re: Next year Council will be required to assess all Class I Dwellings and extensions against the energy efficient requirements that will be included in the Building Code of Australia amendments. All new dwellings will be required to achieve a minimum energy efficient rating with Council required to ensure that all details required for the minimum energy efficient rating form part of the application. Assessing applications will take more time, and initially I would expect builders who prepare their own drawings and specifications to have difficulty providing the required information. They will need to consider having the energy efficient requirements certified and pass the cost on to the owner.

Energy efficient standards will increase the cost of re-locatable dwellings, and will need additional assessment. Project builders will have an energy efficient certification attached to their application certification attached.

(3) COUNCIL PROPERTIES AND BUILDINGS

(a) Hydrotherapy Pool Land
Preparation of easement for drainage purposes over land owned by Malcolm and Margaret Sparks, in favour of the Northern Areas Council, in respect of the Hydrotherapy Pool. Enclosing Grant of Easement for acceptance by the grantee. This easement was taken to protect the site of the septic tank and drainage lines located in Mr Sparks laneway.

Moved Cr. Sparks seconded Cr. Clark that the Council Seal be affixed and the document signed for the easement for drainage purposes over land owned by Malcolm and Margaret Sparks, in favour of the Northern Areas Council, in respect of the Hydrotherapy Pool certificate of title Volume 5858 folio 67.

CARRIED 3131

(4) WASTE MANAGEMENT

(a) Tip Sites
I accompanied a Technical Officer From The Environmental Protection Agency on an inspection of Councils licensed tip sites. The main issues raised at each site were site management, covering refuse, type of refuse, and signage.

(5) CORRESPONDENCE

(a) Lynton & Stefanie Schmidt re refund of Development Fees
Letter received from Mrs Schmidt requesting Council to refund the development fees of $385.18 (consisting of Lodgement Fee $28 and Building Fee $357.18) and the Construction Industry Training Levy $250 for their new dwelling which was approved at the May 2000 Council meeting.

Moved Cr. Clark seconded Cr. Robinson that the request for a refund of development fees not be approved, and subject to a request from the applicant that a twelve month extension be granted on development application number 764/59/00 with no additional development fees to be paid.

CARRIED 3132

12. MANAGER OF FINANCE & ADMINISTRATION REPORT

Moved Cr. Robinson seconded Cr. Woolford that the Manager of Finance & Admin Report be taken as read and noted.

CARRIED 3133

12.1 BANK RECONCILIATION & SHORT TERM DEPOSITS

Re: The Bank Reconciliation and the LGFA Balances as at 31 October 2002 was attached to the Agenda.

Moved Cr. Sparks seconded Cr. McPherson that the bank Reconciliation and LGFA Deposits Report as at 31 October 2002 be accepted.

CARRIED 3134

12.2 RATES REVIEW

Re: Attached to the Agenda was a letter from the LGA advising that they are seeking rating consistency across all SA Councils. Our position is that we support this wholeheartedly.

12.3 ROAD RENTS

Re: Ben Coventry has continued his determination into all land within the Council that is subject to Road Rents. We anticipate this may take some time.

12.4 BUDGET COMPARISON

Re: Budget comparison for the 4 months ended 31 October 2002 was provided to members. The budget figures presume a constant monthly income or expenditure, whereas in actuality, many full year expenses are paid at the beginning of a financial year, ie insurance.

Moved Cr. Woolford seconded Cr. Longmire that the Budget Review to 31 October 2002 be received and adopted.

CARRIED 3135

12.5 GST COMPLIANCE AUDIT

Re: The ATO attended the Council offices on 6 November, 2002, to conduct a GST Compliance Audit. Northern Areas Council was the last Council in the state to be audited. Apart from a couple of minor technical matters, the Council system and controls were well regarded, and considered amongst the best in the state.
12.6 END OF YEAR FINANCIALS - EXTERNAL AUDIT
Re: The LGA requires our end of year financial statements by 30 November 2002. However, the external auditors will not be here until Tuesday 3 December 2002, due to the Federation of North Eastern Councils requesting more time in preparing their statements. We will forward our statements to the auditors next week, for their preliminary review. We have verbally advised the LGA and will write to the Minister advising him that the statements will be late, through no fault of our own.

12.7 ROADS TO RECOVERY ANNUAL RETURN
Re: The Annual Return for 2001-02 is complete, has been verified by the external auditor and has been forwarded to the appropriate authority.

12.8 DELETED CHEQUES
Re: Chq 6667 8-6-00 LAURA CARES INC Working Towns Conference
Chq 7120 7-9-00 COMMERCIAL HOTEL Meals BRM Consultative Committee
Chq 7735 27-3-01 SL HEAD Rates Refund Assess A3557

I have written to the above payees, as requested by Council, and will re-issue cheques if requested.

12.9 OFFICE CLOSURE – CHRISTMAS/NEW YEAR
Re: It is planned that all Council offices will be closed from 12.00pm Tuesday 24 December 2002 until Wednesday 1 January 2003 (inclusive). This encompasses 3 public holidays, and the remaining 3 days will be taken as either RDO’s or Annual Leave.

12.10 SPALDING OFFICE CLOSURE
Re: In line with previous years it is the intention to open the Spalding Office one day per week during January. (Thursday only)

Moved Cr. Longmire seconded Cr. Woolford that all Council offices be closed at 12.00pm on Tuesday 24 December 2002 and reopen on Thursday 2 January 2003. That the Northern Areas Council Spalding Office be open one day per week (Thursday) during January, 2003 on the following dates:
CARRIED 3136

12.11 CHEQUES/EFT LISTING

Moved Cr. Woolford seconded Cr. Robinson that cheques numbered 9100-9158, Electronic Fund Transfers numbered EF2014-EF2093 and National Online transfers (Wages), totalling $482,583.46 be passed for payment.
CARRIED 3137

CARRIED 3143

(2) Transport SA – Jeff Lane, Regional Manager Mid North Region
Re: Condition of Spalding/Clare Road. Advising that the defects Council refer to on this road are currently being repaired and work should be completed by the end of October 2002. In regard to the overall condition of the road, specifically the narrowness of the seal, Transport SA will include seal widening of this road in a list of candidate projects for future funding. However, it will be necessary to prioritise this project against other state wide projects. (I12671/375.2.5)

Moved Cr. Clark seconded Cr. Sparks that the Manager of Engineering Services write back to Transport SA expressing Council’s concern about the condition of the Spalding/Clare Road and the need for the road to be categorised as a high priority for upgrading.

CARRIED 3144

(3) The Hon Wilson Tuckey, Minister for Regional Services, Territories and Local Government
Re: “It is my great pleasure to inform you that your Regional Flood Mitigation Programme application to undertake flood mitigation works on Jacka Creek, Jamestown has been approved. In 2002-2003, the Federal Government will contribute a further $50,300 towards this project. I congratulate Northern Areas Council on their commitment to developing effective measures to reduce flood damage in the community. I look forward to hearing of your progress.” (I12736/160.4.3)

(4) Mr & Mrs RA McLeod – Residents, Jamestown
Re: concern over the condition of Jones Street, Jamestown. The condition of this street is in appalling state. Corrugation and excess dust problems (I/375.11.2)
Manager of Engineering Services’ Comment: Mr and Mrs McLeod have been advised that the staged upgrade of Jones Street is budgeted to commence this financial year.

(5) **Australian Rail Track Corporation – John Cowie, Engineering Services Manager**  
Re: An inspection and audit has been conducted at the level crossings situated within This Council’s jurisdiction and a number of faults have been found which will fall within the responsibility of the road owner. Council asked to arrange the necessary attention at two crossings. (I12759/375.9.1)

Manager of Engineering Services’ Comment: Council has already attended to other sites at a cost of approximately $1,000 per site for signs alone. This will be an ongoing issue.

(6) **BL & EJ Hancock**  
Re: All weather access for Abbeville Road, Gulnare requested. (I12502/375.11.2)

### 15.2 STATUS OF SIGNIFICANT ON-GOING PROJECTS

1. **Youth Advisory Committee**
   
   With the support of Raelene Harding and Annabel Axford a nucleus of young people have been brought together to form a “working group” which can develop as Council’s Youth Advisory Committee. We will be seeking National Youth Week funding to support a project to be developed by young people. I met with Clare Council’s Youth Coordinator and came away from that meeting comfortable with the “model” we are trying to implement here. We were fortunate in being able to arrange for Mr Peter McGinn (TTG DETE) to visit Jamestown as part of the Building Positive Futures study tour and to conduct a special workshop with young people from the Jamestown Community School. Peter came away from that exercise considerably encouraged at the enthusiasm shown by young people in wanting to address community issues.

2. **Trainee**

   In principal approval has been given to enable us to promote our proposed trainee position for 2003. An outline of the position has been forwarded to both the Jamestown Community School and Gladstone High School.

3. **Jamestown Skate Park**

   Council is seeking additional information from Rec & Sport on other local government authorities which have developed or rejected skate board ramps.

4. **Building Positive Futures**

   The Office of Regional Affairs coordinated a visit by a group of community development operators who toured the Mid North region last week. The program culminated with a series of workshops in Jamestown.

5. **Visit by Minister Tuckey**

   Detailed preparations are being developed to facilitate the visit to this district by Minister Tuckey on 6th December. Invitation lists of people
to be invited to ceremonies are being compiled and we will have to supply the Minister’s office with briefing and background notes.

15.4 **JAMESTOWN SHOPPING DISTRICT**

On 17/10/02 the Jamestown Shopping District was abolished by proclamation by the Governor under the authority of Minister Weatherill acting for the Premiere.

16. **CHIEF EXECUTIVE OFFICER’S REPORT**

Moved Cr. Clark seconded Cr. Robinson that the Chief Executive Officer’s Report be taken as read and noted.

CARRIED 3151

16.1 **LAURA CARAVAN PARK LEASE**

Re: At a recent meeting with Rod Taylor of the LCDTA we had a positive discussion on projects in and around Laura and a future proposal for joint meetings of the Chairs of the various Progress Associations in early 2003 to discuss with Council direct, matters pertaining to projects, budget and funding capability of Council and the interactive role between Council and its peak community groups.

16.2 **AUSTRALIA DAY AWARDS**

Re: Nominations closed on 31st October, 2002 for the Citizen of the Year, Young Citizen of the Year and Community Event of the Year.

Moved Cr. Clark seconded Cr. McPherson that the recipients of the 2003 Australia Day Awards be as follows:

- Citizen of the Year – Carmel Patricia Kelly
- Young Citizen of the Year – Jessica Nicole Tielen
- Community Event of the Year – Gladstone Farmcog Festival

CARRIED 3152

16.3 **WATER RESERVES CURRENTLY RENTED BY KULLGANA (RICHARD SANDERS) AND GRAHAM CLARKE NOMINEES**

Re: Correspondence has been received from Richard Sanders concerning percentage proceeds from the Washpool Reserve. His intentions are to pay 100% of the funds raised to the Washpool Tennis Club.

Chris Clarke, (Graham Clarke Nominees) has verbally advised that he considered the area not to be that accessible for farming machinery with the Hutt River running through the middle.
16.4 **STRATEGIC PLANNING MEETINGS**  
Re: Thanks to Councillors who were able to attend these preliminary community consultation meetings. The questionnaire, to be distributed to all residents, is the next stage, with compilation of all issues, suggestions and feedback to be compiled into a draft strategic plan by the February 2002 meeting.

16.5 **32 WOLFE STREET, JAMESTOWN – AUCTION FOR UNPAID RATES**  
Re: This was conducted on Monday 11th November, 2002, 12 noon, by Wesfarmers. Two bidders were present. The auction failed, for not receiving a bid close enough to the reserve.

16.6 **PERIODICAL REVIEW**  
Re: Letter received from Steve Tully, Electoral Commissioner, advising that the State Electoral Office has considered and reported favourably on the Periodic Review that the Northern Areas Council has submitted for certification.

16.7 **LAURA PARKLANDS – CARPARK**  
Re: Contact has been made on behalf of the Laura Community Development and Tourism Association and its “North Laura Parklands” project to see if bus and caravan parking areas can be formalized adjacent the main road and eastern area of the Parkland. As this is adjacent to the arterial road, engineering advice would be required from Transport SA and more importantly, we are also requesting, on their behalf, for a funding contribution from TSA towards the sealing and lighting costs of this area. Senior Constable Mark Wright, of Wirrabarra Police has requested that this area be lit to ensure that the congregation of people in the “wee” hours does not occur and disturb the peace of residents living in the adjacent areas.

16.8 **SECTION 30 PLANNING REVIEW**  
Re: The Port Pirie Regional Development Board through Mark Malcolm and Ian Miller met recently with Council staff to discuss in detail, economic development objectives of the PAR. Specifically, they are looking at long term needs, associated with industrial commercial zones, town centre and residential zones of Laura, Gladstone and Georgetown townships.

Mark Malcolm also strongly suggested that the Board, working with Mount Remarkable, Northern Areas and Port Pirie Regional Council, consider the development of an economic implementation plan for local government to determine strategies for the next 20 years. This means that whilst we might provide for industrial/commercial and town centre zones etc, also ensuring that we have the infrastructure, eg power, water, gas that can service these zones.

This will be a huge task, but an extremely important one by making sure that our economic zones can actually develop industry/commerce and retail services.

**Moved Cr. Walden seconded Cr. Clark that Council confer with the Port Pirie Regional Development Board, in the development of an economic implementation plan for this Council, to determine strategies for the next 20 years.**

**CARRIED 3153**
16.9 JAMESTOWN COMMUNITY SCHOOL – SATELLITE CONNECTION FOR BROADBAND INTERNET
Re: I have recently been approached by Geoff Annear, Principal of the Jamestown Community School, about the concept of a community satellite dish being installed to provide Broadband internet services of a high scale to the Jamestown area. Apparently these satellites can cater for an area of a 20km radius and can be undertaken on a semi commercial/community basis with business and residents becoming involved. Geoff will be supplying us with more detailed information on the costs and scope of a possible project shortly.

16.10 INDUSTRIAL COMMERCIAL DEVELOPMENT – MEETINGS WITH MID NORTH REGIONAL DEVELOPMENT BOARD AND PORT PIRIE REGIONAL DEVELOPMENT BOARD
Re: I have had a number of discussions with both Boards concerning ongoing development of projects in the Council area.

Moved Cr. Walden seconded Cr. Clark that Council lodge an expression of interest in having a rail freight interchange network established in or near Gladstone.

CARRIED 3154

16.11 BUNDALEER CFS GROUP – PETER SMALLACOMBE
Re: Peter Smallacombe, Bundaleer CFS Group has contacted Council and is understandably concerned about the coming fire danger season, and the fact that a lot of fires/callouts are out of normal business hours (ie after 5pm Friday). This makes it difficult for various brigades to contact the right people quickly to obtain items such as the water trucks at short notice.

A policy has been implemented to advise Bundaleer and Hallett CFS Groups each week of Council contact officers and location of plant/machinery during the Fire Danger Season.

16.12 HYDROTHERAPY POOL – NORTH BUNDALEER FUNDRAISER
Re: As Council will recall, a pledge of a loan of $60,000 at a negotiated interest rate will be provided to the Hydrotherapy Pool Committee to enable the project to be completed.

The Committee have continued to actively fundraise, their latest effort being the North Bundaleer Open Day. I understand that with AMP foundation support, in excess of $23,000 will be raised from the one day.

16.13 VISIT BY HON WILSON TUCKEY MP, MINISTER FOR REGIONAL SERVICES, TERRITORIES AND LOCAL GOVERNMENT - NORTH LAURA PARKLANDS AND JAMESTOWN HYDROTHERAPY POOL PROJECTS
Re: Members are reminded of the visit from Hon Wilson Tuckey, MP, Minister for Regional Services, Territories and Local Government on Friday 6th December, 2002.

Members please note that the North Laura Parklands will be an unveiling of a plaque at the site (not an opening of the parklands, as they will not be completed).

The Jamestown Hydrotherapy Pool will be unveiling of a Foundation Stone at the site, (not an official opening of the facility, as it will not be completed).
The main purpose of the visit is by the Hon Wilson Tuckey, MP will be to discuss with Council, regional development affecting the area.

16.14 COMMUNITY LANDS
Re: The Chairman, Chief Executive Officer and Planning Officer attended a meeting of the Yacka Community Development Board on Monday 18th November, 2002, to discuss the proposal to exclude land managed by the Hall Committee hosting the Yacka Institute, the Craft Shop, the Community Postal Facility and the CFS Shed from the community land classification under the LGA.

16.15 GRANTS COMMISSION RETURN AND ANNUAL REPORT
Re: Due to circumstances beyond our control, Council’s Auditor’s (Dean Newbery and Partners) have advised that they will not be available to complete the Council’s audit for the 2001/2002 financial year until Tuesday 3rd December, 2002.

16.16 JAMESTOWN SWIMMING POOL
Re: This season, there are quite a few new members, which is good to see, becoming involved on the Jamestown Swimming Pool Committee.

I recently attended (12.11.02) one with their Committee meetings to convey to them, the history of the Committee being constituted as a Section 41 Committee.

16.17 FLINDERS MOBILE LIBRARY – INVESTIGATION INTO A NEW TRUCK FOR THE FLINDERS MOBILE LIBRARY.
Re: I will be meeting with Librarian, Louise Ballard of the Flinders Mobile Library on Friday 22nd November, 2002, concerning their preliminary investigations into a replacement truck for the Flinders Mobile Library.

16.18 COUNCIL HOUSE - SPALDING
Re: As Members would be aware, the Council owned house located in Munduney Street, Spalding has been “officially off the books” of Ray White Real Estate, Clare and the “For Sale” sign at the property has been removed for some time.

This week, I received information from Gavin Clarke, Ray White Real Estate, Clare advising that he had received an offer for the property (subject to finance).

Moved Cr. Clark seconded Cr. Walden that Council accept the offer arranged by Ray White Real Estate, Clare, for the sale the Council house at 25 Munduney Street, Spalding, subject to the purchaser obtaining finance, and that the contract include provision for Council’s ownership of the Presbyterian Church Monument located on the property; that the a new water meter service be installed to separate off the adjacent public toilets.

CARRIED 3155

16.19 SPALDING BOWLING CLUB – EXCESS WATER CHARGES
Re: Enquiries are still continuing into the history of the excess water charges at the Spalding Bowling Club. This has proved to be a reasonably lengthy process, going back through several years of archive records at the Spalding
Office. Once details are to hand, they will be provided to SA Water for their consideration.

16.20 2003 LOCAL GOVERNMENT ELECTIONS
(Report By Roger Crowley)
Re: The Local Government elections next year will be held during April/May, with the close of election being 12:00 noon on 12 May 2003. The State Electoral Office will be undertaking the election for Council and will be conducting the election by postal vote. A copy of the election timetable was enclosed for Members information.
