Atmos Hornsdale Wind Farm
Community Fund 2025/26

APPLICATIONS OPEN

Atmos Renewables is committed to supporting the communities in which it operates and has established a fair and transparent Community Fund to help local initiatives thrive. For 2025/26, the company has allocated $60,000 (ex GST) through its General Community Fund for not-for-profit groups within the Northern Areas Council, with applications open from 18 February to 11 March 2026. Funding is available across four categories—Asset Purchases (up to $5,000), Local Events, Wellbeing Projects, and Volunteer Training (each up to $2,000). Please note that energy-efficiency projects are excluded from this round, with a dedicated fund to open later in the year. Guidelines and application forms are available at Northern Areas Council offices or on our website. Further information can be obtained by contacting James Lang on (08) 8664 1139 or james.lang@nacouncil.sa.gov.au.

Did you know that indoor cats can live up to 12 years longer than roaming cats. When your cat stays home, you always know where they are. It's safer for your pet, better for your neighbours, and kinder to native birds and wildlife.

The Good Cats Play at Home guide from the Dog and Cat Management Board includes practical tips on:

- Setting up enriching indoor spaces
- Creating safe outdoor enclosures
- Transitioning roaming cats to home life
