

NORTHERN AREAS COUNCIL
Annual Green Waste Collection

This collection service is primarily aimed to assist the elderly and the incapacitated. Council's Annual Green Waste Collection will commence on Monday 19th October 2020 and will continue to Monday 26th October 2020.

Please note that the Green Waste Collection will work on a booking system only. All bookings must be made by COB Friday October 16th 2020.

Residents must ring Council offices to book a collection: Jamestown 86641139; Gladstone 8662 2018; Spalding 8845 2017

The Green waste that will be collected is tree, rose and bush type material only, **no lawn clippings or weeds**. Green waste to be collected must be placed on the edge of the roadway, the evening prior to your scheduled pickup. **No** repeat trips will be made and large piles **will not** be removed from private property.

Green waste must be placed so that it does not interfere with pedestrian or vehicular traffic and must not be placed over service pits or hinder access to fire hydrants. **No tyres, no cars, no chemical**. A limit of 3 cubic metres (i.e. 6x4 trailer load) per household will be allowed.

Council reminds residents of their obligation to prune trees overhanging the footpaths. This is a good opportunity to do so.
