

LAURA FUTURES PROJECT DESCRIPTION

The Project	
Project name	Recreational Precinct Improvements
Project description (100 words max)	The project will involve removing the old existing lawn/ irrigation, levelling and preparing approximately 900m ² of ground surrounding the shelter and Laura Nature Playground. An irrigation system will be installed, with Eureka Kikuyu turf rolled out across the main lawn area. Grass seed will be used for the side area between East Terrace and the playground to reduce costs. A bike pump track suitable for a range of ages will be constructed, and a commercial-sized BBQ will be installed beneath the new shelter to accommodate larger community gatherings and sporting groups.
Location:	Laura Sporting Reserve, East Terrace LAURA SA 5480
Approximate cost (Tick relevant box)	Less than \$100,000 ☐
	\$100,000 to 500,000 ☒
	Over \$500,000 ☐
What will be the significant social and economic benefits? (100 words max)	The project will deliver significant social benefits by building on the Laura Nature Playground and creating a connected, family-friendly recreational precinct. The combination of improved lawn areas, a bike pump track, shelter and BBQ will provide opportunities for children, young people and families to play, exercise, socialise and gather. The improvements will also support local sporting clubs, including Laura Cricket Club, Laura Football and Netball Club and Laura Tennis Club, by enhancing facilities for players, families, volunteers and spectators. These upgrades will encourage community participation, strengthen social connections and improve the overall usability of the precinct. Economically, the project will enhance Laura's appeal as a recreational destination, encouraging visitors and visiting sporting teams to spend time in the town and support local businesses. By building on existing community investment, the project will strengthen the precinct's value as an important asset for residents and visitors alike.

Concept Map

RED – Proposed Pump Track Location

GREEN – Proposed Lawn & Irrigation Location

ORANGE – Proposed Commercial BBQ Location

OPTION 1. Hot Mix Pump Track

OPTION 2. Modular Pump Track

PARK PRO SINGLE CABINET BBQ – King Size
