

LAURA FUTURES PROJECT DESCRIPTION

The Project	
Project name	The Laura Information Centre and Community Hub
Project description (100 words max)	The Laura Information Centre and Community Hub project will create a modern, purpose-built facility that enhances the visitor experience and strengthens Laura's position as a gateway to the Southern Flinders Ranges. The new centre will provide significantly expanded exhibition space to showcase Laura's rich history through interactive displays, photographs, artefacts and digital content, while also supporting local tourism and retail opportunities. Designed to be accessible, comfortable and energy-efficient, the facility will include visitor amenities, office space for community service providers, meeting and staff facilities, and secure storage. The project aims to encourage longer visitor stays, increase local spending, and support community wellbeing and economic growth.
Location:	Opposite the Caravan Park, near to the housing trust units
Approximate cost (Tick relevant box)	Less than \$100,000 ☐
	\$100,000 to 500,000 ☒
	Over \$500,000 ☐
What will be the significant social and economic benefits? (100 words max)	This project will deliver significant social and economic benefits by increasing visitor numbers, encouraging longer stays, and boosting spending within local businesses. Enhanced displays showcasing Laura's unique history and heritage will strengthen community pride, preserve important stories, and create educational opportunities for visitors and residents alike. Expanded retail space will support local producers, artists, and community groups, including the Community Shed, generating additional income and promoting local products. The inclusion of office space for community service providers will improve access to essential services. The project will create a welcoming, accessible community asset that supports tourism growth, social connection, economic development, and long-term community wellbeing.
